

Shielding Your Home from Fraud

Guard Your Data: Shred sensitive mail and documents. Be ruthless with personal info online and over the phone

Secure Your Mail: Empty your mailbox daily. Use a locked box for cheques and financial statements.

Audit Your Credit: Check your credit report quarterly. Unrecognized accounts are a major red flag.

Verify Everyone: Confirm the identity and legal right of anyone you deal with in a property transaction

Get Title Insurance: An essential safety net for real estate transactions, can also protect owners.

Consult Your Pros: Talk to your lawyer before signing anything and plan your strategy with your financial advisor.
